

A close-up portrait of Dr. Alex MacNeil, a man with short brown hair and a well-groomed reddish-brown beard and mustache. He is wearing a dark suit jacket, a white collared shirt, and a red patterned tie. He is smiling warmly at the camera. The background is a soft, out-of-focus grey.

Let's get started.

DR. ALEX MACNEIL

Doctor of Clinical Psychology

*If you or someone you know
is feeling stuck and need
help reconnecting with what
truly matters...*

I assist people in overcoming obstacles and connect with their purpose, family, and what matters most. My client focus is in helping youth and young men with work, school, and relationship issues.

ACCEPTING NEW CLIENTS

- Kids & Adults of all ages
- In-person in Arlington, MA
- Telehealth in Massachusetts, Colorado, New York, and North Carolina
